The **Electronic Bill Presentment and Payment Service (EBPP)** is a new, innovative internet banking service in Hong Kong. Most retail banks are offering this refreshing bill-payment experience.

#### Business-to-customer (B2C) e-billing and e-payments

You can receive and pay e-bills issued by a range of merchants.

#### Online charity donations and electronic donation receipts

You can make donations to participating charity bodies and religious organizations and receive electronic receipts.

#### Cross-border e-billing and e-payments

You can receive and pay e-bills issued by merchants in Mainland China and overseas countries.

#### Business-to-business (B2B) e-billing and e-payments

Companies can also bill or pay their business partners online.

In addition to Hong Kong Dollar, EBPP also enables e-payments in Renminbi and US Dollar.

# What are the advantages of using **EBPP**?

## One-stop services

You can receive and pay bills via your internet banking account.

## Hassle-free

No longer will you need to receive bills from different channels like post, email and SMS. Managing different electronic bill records becomes much easier.

## Environmentally friendly

The whole process is paperless and cashless.

## Full control

Set payment preferences at your fingertips. Update the payment schedule, amount and bank account at anytime, anywhere.

## Comprehensive services

You may receive bill notifications and payment reminders from banks. You may also receive and pay the bills for family members. Check with your bank to see what value-added services are on offer.

# How do I **view** and **pay** bills?

## STEP 1

Bills issued by registered merchants will be delivered to your internet banking account regularly according to the billing schedule of the merchants.

## STEP 2

When the bills are ready for review, they can be viewed under "Bill Summary". An electronic version of the bill may also be provided by merchants.

## STEP 3

To make payment, simply use the bill payment function. For your peace of mind, you may choose to automate the payments. Your autopay instructions for EBPP can be changed anytime.

## STEP 4

The EBPP will keep your e-bills and payment history for a period of time as advised by your bank. With these convenient one-stop services, you will have no hassle in managing and paying bills in the future.
